Big Ben, England

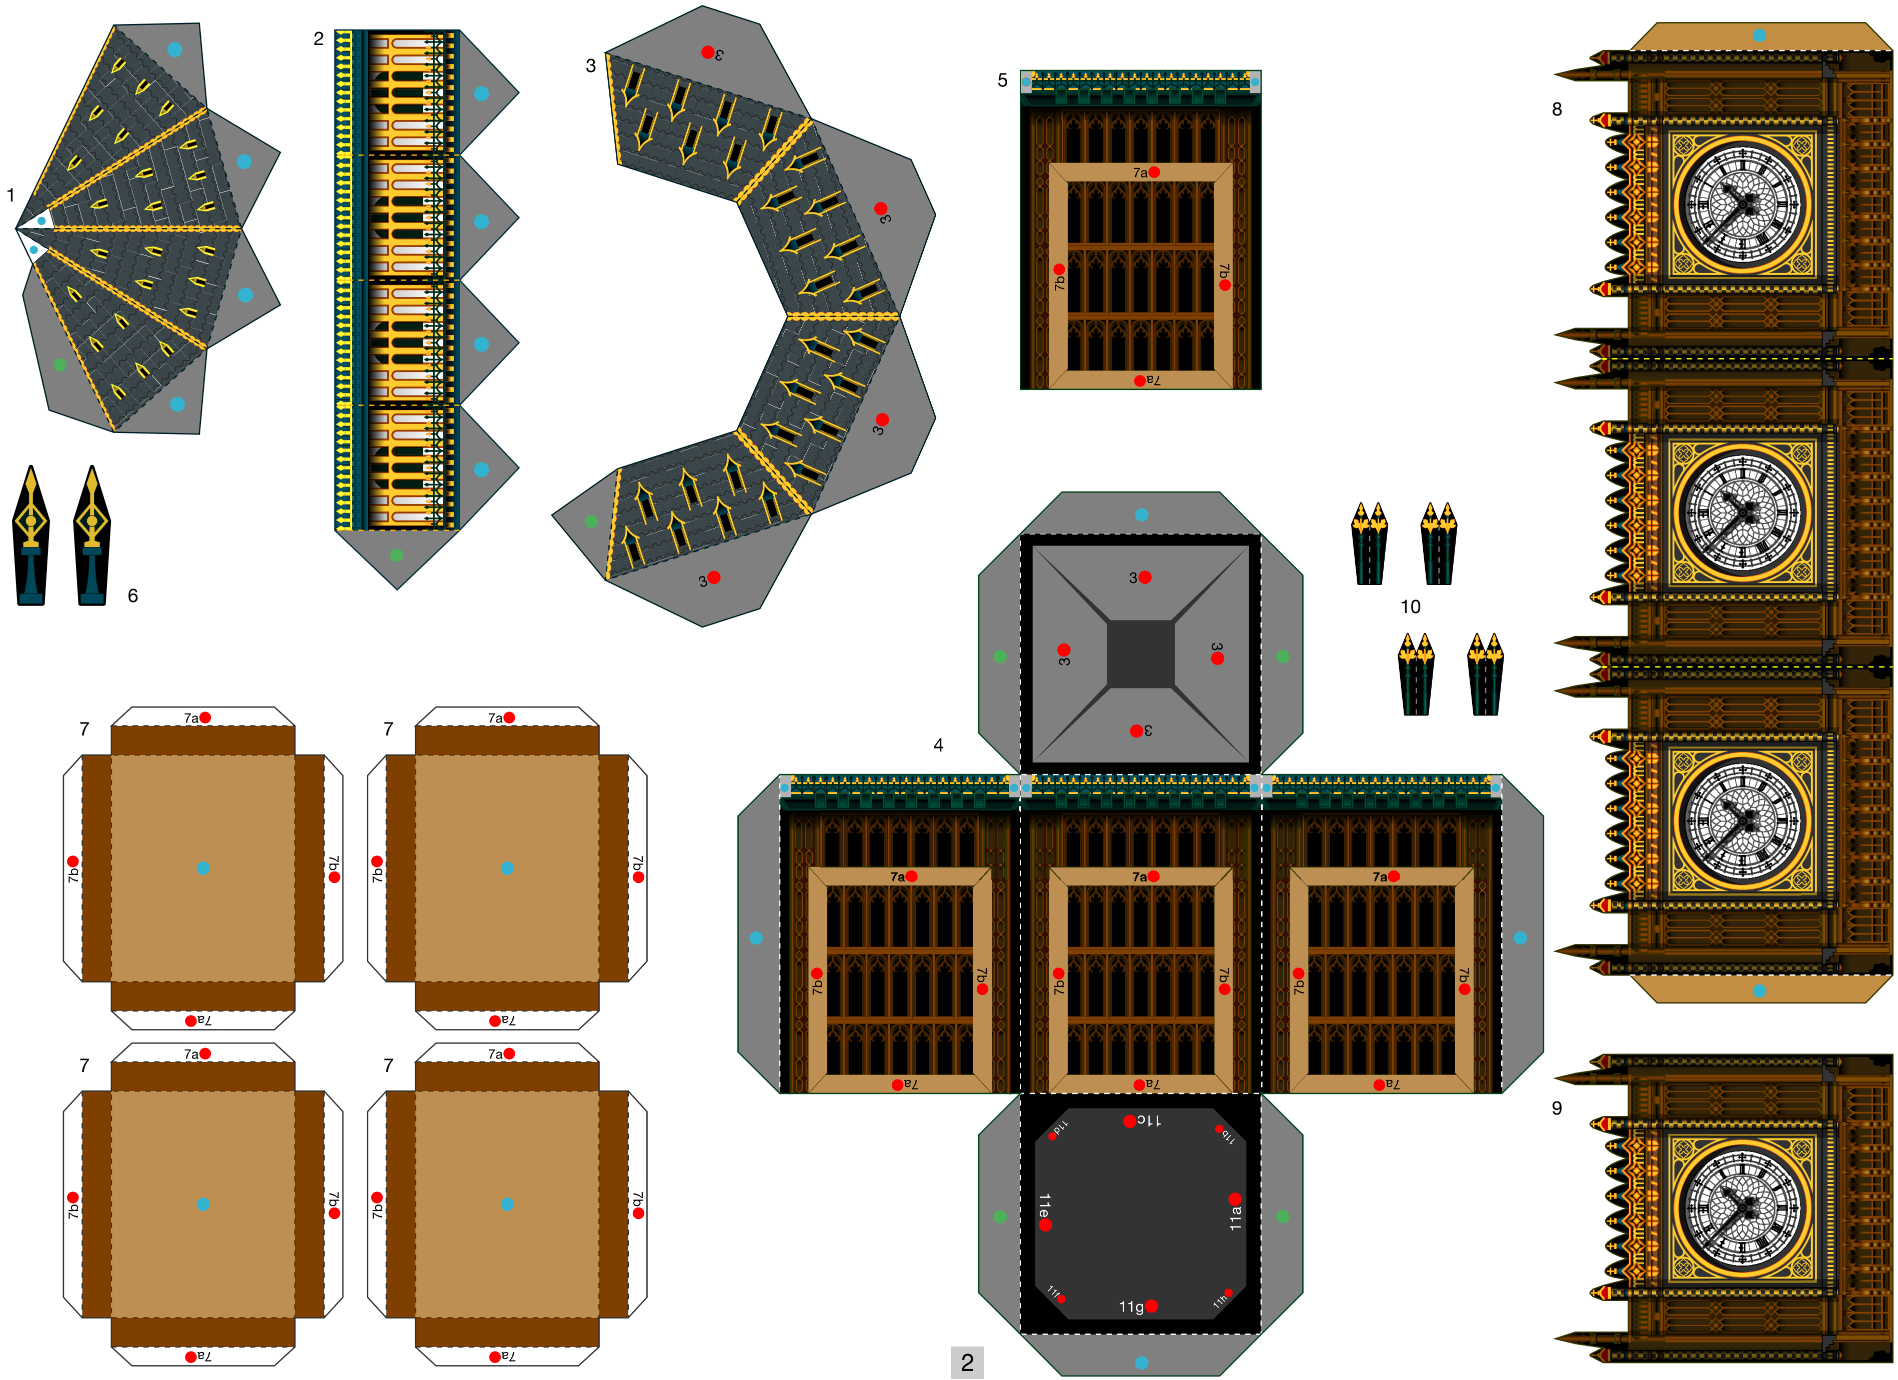

The world's most famous clock tower, Big Ben is named for Sir Benjamin Hall, the Parliamentary Commissioner of Works at the time of its completion, who was said to be of imposing stature. This clock tower attached to the Palace of Westminster (British parliament) sounds its quarter hour bell every 15 minutes. When a lamp shines at its top, parliament is in session.

*This model was designed for Papercraft and may differ from the original in some respects.

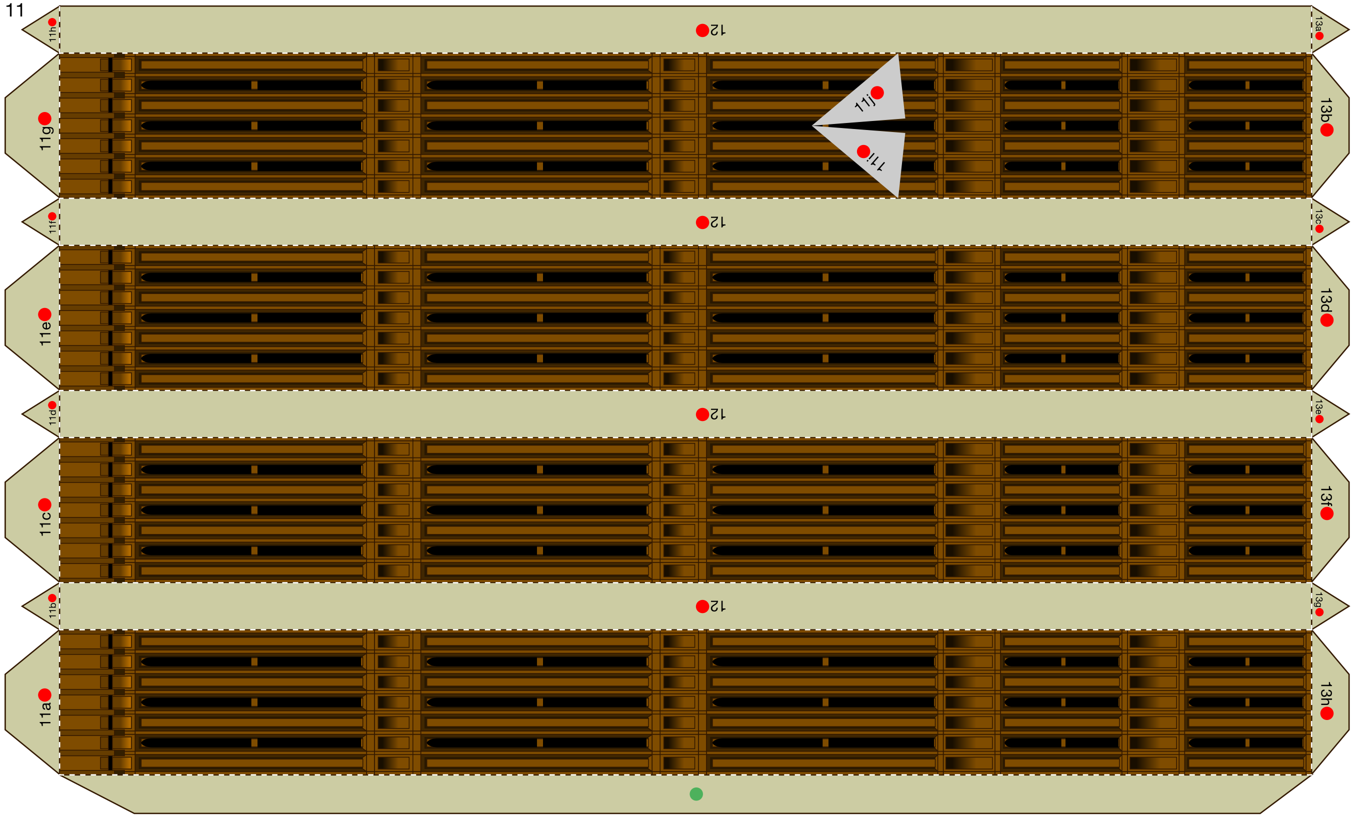

- ■ Parts list(pattern):Thirteen A4 sheets(No.1 to No.13)
- ■ No. of Parts:62

*Build the model by carefully reading the Assembly Instructions, in the parts sheet page order.
